Student Permission to Walk Off Campus

I give permission for my child to walk off the East Campus for one or more of the following reasons below. I understand that once they leave Bloomington Christian facilities, the school is no longer held liable for my child's welfare or safety. I also understand once my student has left the premises he/she may not return to campus for Extended Care or for further pick up.

Failure to comply may result in suspension

_____ **My child has permission to walk to the West Campus (Elementary Campus) if they are part of a BCS sports team for practices and their team games only.** Please note that sports teams will walk to practice as a team.
